

**Fanconi Hope**, through the creation and publication of a Research Network seeks to bring together researchers in the UK and Ireland to help expedite research into Fanconi Anaemia.

If you are a researcher in the UK or Ireland and wish to be listed as part of the Research Network, please e-mail us at [info@fanconihope.org](mailto:info@fanconihope.org), call us on 0845 271 2811 or contact us via our website [www.fanconihope.org](http://www.fanconihope.org).

**Please join us!**

The following UK researchers have produced research relevant or relating to Fanconi Anaemia and have given permission for their details to be added to the list.

Abstracts (or summaries) of papers that they have published in the medical literature can be found by going to <http://www.ncbi.nlm.nih.gov/pubmed/advanced> and performing an author search.
